## **Walking the journey of faith**

Christ being the founder and the beginner of our faith showed us the truth behind walking the journey of faith through preaching the word, healing the wounded and setting captives free. Declaring that the Kingdom of God is at hand.

In the same Spirit, our Ministry accepted the continuation and extension of the truth through its writings. With an intention of equipping believers with enough information concerning God's word and His interest to assist all. To this, messages are prepared to help believers develop in all parts of faith.

## God's Blessings

The Biblical attention tells us about the blessings we find from God when we come to Him. They are based on principles and obedience. When God met Joshua, He blessed him with words in his mouth and instructed him to meditate and repeat them for his prosperity. **Joshua 1:8 KJV. 8** This Book of the law shall not depart out of your mouth; but you shall meditate therein day and night, that you may observe to do according to all that is written therein: For then you shall make your way prosperous, and then you shall have good success. The relationship between God and Joshua was held by obedience from the time God met Joshua until Joshua was fully established. Since our callings and abilities differ, God's relationship with us vary depending on the abilities and the kind of faith of an individual. When God finds you, He gives you faith and courage to serve your spiritual life. He wants you to use that secrete obtained from Him, from your faith the time He met you in a dream, prayer or vision. Power given to you from the word of God, a deposit of God's light in your heart or time given. This makes us to know His will and His ways that we may be able to receive those blessings He has granted to us. God is willing to bless us more than we think or expect on condition that we maintain the relationship or the commandments He has between Him and us. When we obey His commandments, He will increase on what we have and avenge our enemies.

**Malachi 3:10-11 KJV. 10** Bring you all the tithes into the store house, that there may be meat in my house, and prove now herewith, Says the Lord of Hosts, if will not open you the windows of heavens, and pour you out a blessing, that there shall not be

room enough to receive it. **11** And I will rebuke the devourer for your sakes, and He shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, says the Lord of Hosts.

He will bless your life greatly and enlarge your boundaries as you continue to follow the same faith to ask, pray and manage what you have in the direction of His will. This will gradually yield real, full and complete blessings. God gives us power to acquire wealth. Even if we look to be little nations God has a plan to bless those who please Him, those who have accepted His name. When we come to Him we have a right to ask whatever we need through Christ. There is hope for everyone to share what He has if we pray. In the Same Spirit and same anointing God wants to defend His word through our obedience and bless the little we have into abundance by His hand and the power that dwells in us.

**Deuteronomy 28:1-9 KJV** And it shall come to pass, if you shall hearken diligently to the voice of the lord your God, to observe and to do all His commandments which I Command you this day, that the Lord your God will set you on high above all nations of the earth:

2 And all these blessings shall come on you, and over take you if you shall hearken to the voice of the Lord your God.

3 Blessed shall you be in the city, and blessed shall you be in the field.

4 Blessed shall be the fruit of your body, and the fruit of your ground, and the fruit of your cattle, the increase of your kine, and the flocks of your sheep.

5 Blessed shall be your basket and your store.

6 Blessed shall you be when you come in, and blessed shall you be when you go out.

8 The Lord shall command the blessing upon you in your store houses, and in all that you set your hand to; and He shall bless you in the land which the Lord your God gives you.

9 The Lord shall establish you an holy people to Himself, as He has sworn to you, if you shall keep the commandments of the Lord your God, and walk in His ways.

We believe that you will get to know more if you take a step of faith to set your faith to move towards your efforts to make a difference in life. Sometime we find challenges in life which delays our success or our blessings. Since we are instructed from the Holy Scriptures to increase our spiritual levels to rule the physical world, there is hope for God to bless whatever we touch for we are spiritual children. God's plan to bless each one of us still stands but still again there are those areas in our lives which have potentials and always inspired to bring out power materials to work out our success and blessings. When we come to know or realize the sources of our powers encouraging and propelling our faith to possess more, then we have a right to pray and renovate those areas or sources that we may be in position to possess more of what God has for us. In many cases for us to flourish God wants us to look or identify the sources of our success and work towards their improvement. It is a blessing for each one of us to hear that the spirit is out to bless whatever we speak, whatever we

touch, our desires to be fulfilled if we set our faith into action in the same direction. God wants you to continue planting more seeds of faith in the same direction of your sources. The power of your sources could be tithing, giving to the needy, supporting ministries, business, prayer or others. When we continue to plant more seeds of faith in our sources God will confirm our abundance receiving power to possess more of His blessings. Paul became a blessing to those nations in his season of ministering to God for he was spiritually blessed. The power to cause you to increase to a level you desire is within you. We need to discover the power deposited in our lives or the level of our faith which in operation for our excellence.

### **How God blesses**

- He will grant favor in your life.
- He will identify the sources of your blessings by directing your faith.
- He will make your officials recognize and take notice of you.
- He will increase you in knowledge, possession and spirit to stand as a blessing among nations.

### **Vision**

Vision in this manner, which starts with focusing or sight opening is to see life ahead, secrets about your future or any kind of concern as revealed by God. When we become visionary God inspires us concerning our visions giving us a prayerful and a careful mind about what we have received, what it needs, the costs involved to bring that vision real. The question to know

whether you have a vision or not is to review the series of your prayers of your mind and heart. A prayer God is answering at the moment or a request which is not fully answered or still in its stages of development. As it depends on our requests, definitely God will show up in dreams and visions.

When we are born, we develop in different areas of life which goes by stages demanding time and concentration. This shows an explanation of journey a head having a vision given to remain in the same line for real destination. Vision bearers will always develop a character to control situations that would break their relationship with God. This is because we have seen confident about what the future holds in favor to what we have seen. There is hope and knowledge satisfying our minds to make us people of order and obedience.

Habakkuk was given he was instructed by God to write his vision down for references and to follow what is in vision. This tells us to become independent of circumstances or things that would distract our hope to become real men of real destination.

### **Habakkuk 2:2 – 3 KJV**

**2** And the Lord answered me, and said, write the vision, and make it plain upon tablets, that he may run that read it. **3** For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. God confirmed with Habakkuk that the vision will speak at the end, it will not tarry. It will come to pass. Those who see visions take courage and steps of their faith about their future. This brings hope and makes us to plant our seeds of faith and

time in the same line with our visions. When God deals with your faith, He will open your eyes to see things just like Him. The way things are done in His kingdom. Why does God want us to see all about our faith, future, and tasks ahead in form of visions. This is because when we see in vision we shall come to know our ways in line of God's word, purpose, yielding to obedience.

Visions are given to us when we have desires to make our ways right yearning to become destined. This makes us to drive all what we have including our faith to that reason or direction. Having visions for proper standing, right steps, changing from old ways to receive as according to our visions.

### **Peace formation**

Peace was dropped in the times of Adam and Eva through disobedience and restored again after birth of Jesus. Jesus was born with the purpose to restore peace in the world, He was accepted by God, grew up in knowledge, favor and continued to extend God's Kingdom through His preachings, teachings, and prophecy. He believed in peace formation, restoration of peace and liberation of many souls to His Kingdom.

**John 14:27 KJV. 27** Peace I leave with you, my peace I give you. Not as the world gives, give I to you. Let not your heart be troubled, neither let it be afraid. This is a moment for Christ to visit your life in a way to increase the level of peace that you may be able to draw more attention and obedience towards His word. Psalms 29:11. 11 The Lord will give strength to His people: the Lord will bless His people with peace. We are instructed in the Holy Scriptures to look for peace and follow because it is the

foundation of the condition of God's plantings, time of deliverance and increment. Peaceful nations understand the secret and purpose of unity. God's purpose of unity to bring all things together through faith is to respect the beginning which is the source. The Holy Scriptures tells us not embrace or welcome situations of disunity or anything that retards or drags our faith in darkness. The knowledge of unity draws us to the truth and peace as a result. Sometimes we become disappointed by people who were not faithful to God in those days. They accepted darkness and diverted from the truth. Since we are children, when we come to Christ He joins our faith to cleanse us by His word which brings more light for our liberty and peace. The time to receive from God has come we need to cleanse our hearts by becoming whole, pure seeking peace and pursue it.

**Psalms 34:13 – 14. KJV**

**13** Keep your tongue from evil, and your lips from speaking guile.

**14** Depart from evil, and do good; seek peace, and pursue it.

When we become rooted in the word and develop in spirit our concentrations remain in positions to form materials which bring more power for other nations to become peaceful and obedient. Our increment in all areas will show up if we turn peaceful receiving more faith about life giving principles to understand God's purpose of creating peace among and far nations. The stability of a nation as a result of peace brings God's power and His spirit to do things in our midst. How do we receive peace? We receive peace through His promises, preparations in forming generations to extend His Kingdom. When God promises His

peace, He tells us to refer to what He said or promised through our prayers that we may be granted such favor.

"I shall be inquired by the house of Israel for me to do these things for them."

We need to be zealous, willing to pray for such blessings or promises. Isaiah's prophecy gives us a clear picture about peace in the end times. In our season there is hope that God will continue to release His peace and life that we may do things for extension of His kingdom, formation of nations to reflect His glory. Isaiah continues to tell us to be confident about His promises concerning peace since our freedom and victory emerges powerfully under the shadow of His presence.

"For Zion's sake will I not hold my peace, and for Jerusalem's sake I will not rest, until the righteousness thereof go forth as brightness, and the salvation thereof as a lamp that burns."

Peace is also;

- A condition of God's presence.
- A level of integrity and unity.
- A sign of obedience
- A state of unifying and completion of faith of unity.

## Intercession

Intercession began in the times of Abraham when God met him with the purpose of making the beginning of His work on earth and times to come. Abraham accepted God and believed in Him. He accepted his calling and the mission behind was to start the glory of God the father and His deliverance on earth through Abraham. Abraham changed his whole life through listening, paying attention and praying to God by the faith granted to him. There was an element of intercession in the life of Abraham when stood yet before the Lord to plead for God not to destroy Sodom and gomorrah.

**Genesis 18: 22 – 23 KJV. 22** And the men turned their faces from there, and went towards Sodom: But Abraham stood yet before the Lord. **23** And Abraham drew near, and said, will you also destroy the righteous with the wicked. Faith granted to us, we the intercessors is to go into those areas which need spiritual assistance, renovations to liberate them through prayers. Pleaders or intercessors are unique in a way that their power and influence over shadow evil. It is through our increase in the spirit and power that propels God to do all according to His spirit for our liberty. The pleadings of the intercessors will always have a great impact to pardon, preserve in the way to restore God's continuous mercies and His presence. The work of interceding or reviving faith is the way of attending to available grace in our environments. Grace including managing opportunities of time, people, places or finances to renovate or rehabilitate broken vessels. A prayer from Christ leading us into His continuous mercies and redemption that full grace may be granted. For He

accepted the life of suffering to pardon our iniquities **Luke 23:34 KJV. 34** Then said Jesus, forgive them; for they know not what they do.

Everyone is invited to this work of interceding to bind the broken hearted, to persuade God to heal and release His continuous mercies for our freedom. When God finds an intercessor He finds an opportunity to close down the gap of lack in spirit, closing down the gap of lack in spirit and demolishing all the works of evil that His rulership may increase greatly. Intercessors are also gap closers, their faith is designed to settle in particular concerns with responsibilities to claim their recovery or redemption. The greatness of a person may not only be seen in wealth, education, or reputations but can also be seen when you allow God to drop His appetite or potential to move together with Him in doing things for salvation of many. Just like Abraham who believed in God, obeyed Him and became father of believers because he decided to commit himself to the things of God. There is always a clear observation of what the spirit needs in the life of an intercessor.

## Freeing Captives

Freeing captives was seen in the Old Testament and also in the New Testament when Jesus in the New Testament began to do His work by preaching the word of God. **(Acts 10:38 KJV)** How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with Him.

Christ continued to perform good work by the word and the spirit that was upon Him. He believed in God who pardons, who answers prayers and heal the oppressed. He became compassionate, concerned and to tolerant to deliver many souls. In the same faith, He served the purpose to end captivity through His suffering, crucifixion, death and resurrection. Likewise in the Old Testament, God's work to end captivity is also seen in the acceptable year of the Lord which brings us to the season of accepting the grace and the works of the Holy Spirit through obeying all the commandments, instructions made by Him.

**(Isaiah 61:1-3 KJV)** The spirit of the Lord God is upon me; because the Lord has anointed me to preach good tidings to the meek; He has sent me to bind up the broken hearted, to proclaim liberty to the captive, and the opening of the prison to them that are bound. **2** To proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all that mourn; **3** To appoint to them that mourn in Zion, to give to them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the lord that the might be glorified.

The Holy Scriptures tells us to release captives of the spirit, finances, and the body. In **(Deuteronomy 15:7-11 KJV)** God commands us to release the poor and needy ones.

**7** If there be among you a poor man of one of your brethren inside any of your gates in your land which the lord your God gives you, you shall not harden your heart, nor shut your hand from your poor brother: **8** But you shall open your hand wide to him and shall surely lend him sufficient for his need, in that which he wants.

**9** Beware that there be not a thought in your wicked heart, saying, the seventh year, the year of release, is at hand; and your eye be evil against your poor brother, and you give him nothing; and he cry to the Lord against you, and it be sin to you. **10** You shall surely give him, and your heart shall not be grieved when you give to him: because that for this thing the Lord your God shall bless you in all your works, and in all that you put your hand to.

**11** For the poor shall never cease out of the land: therefore I command you, saying, you shall open your hand wide to your brother, to your poor, and to your needy, in your land.

Sometimes when God gives us wealth. He wants to extend part of what He has given us to the poor ones. The poor will not cease but again the works of the Holy Spirit to increase faith in each and every member will never cease. We are also instructed to release captives of the spirit through forgiving, tolerance and goodness. When we forgive those who have done us wrong we sent more of the light of faith into action to make other members obey and increase their faith in God. The spiritual matter controls the

biggest percentage of our success and freedom. When we install more of the spiritual materials in our lives we have power to control the physical world hence freeing captives.

A powerful and centered Christian full of the Holy Spirit to bless others will always have;

- i. A prayerful mind to rule situations.
- ii. A forgiving mind to free the bound.
- iii. A favoring mind to bless.
- iv. A peaceful mind to tolerate.

## **Mindset**

The mindset is also a center area where decisions and choices are made. We believe that there is victory for any man whose desire is to install a Godly mind with the purpose to become whole, productive in the direction of righteousness. For us to please God, our minds must be equipped with His word, having a mind that encourages healthy behavior for the freedom of others. Sometimes errors and mistakes made by ourselves come from bad things we hear or poor information from bad groups, friends or people we find in life. Our task is to feed our minds with information, with ideas that will make us pure and obedient.

We were born differently and grow up in different areas. Everyone has a future a kind of life he has to go through. Our success and excellence in life is drawn out by what we have in the mindset. The mind decides, shapes ideas and instructs. It has a right to pick what is right and drop what is bad. This is the will of God for any man to attend to ideas that make up what is right which is a condition of standing right with God. We are to challenge our mindsets from ungodly minds to prayerful minds leading to spiritual conditions that would preserve life. When we come to God we need to know more of Him through changing our mindsets from ungodly things to new life giving principles. Renewing our minds with the word of God.

God delights in the mind which is willing to change from what is unright to a mind that is capable of welcoming changes of the mind.

Allowing to be inspired by the word of God to direct wills or decisions in favor to bless more of what God has put in the environment.

## **Heart**

The heart being the centre area of righteousness, controls errors that would emerge by taking right decision and choices. To him who thinks is right must ask God to increase knowledge that make up your heart to be clean and right. To be clean and right is also to believe that God can pardon through pleading on behalf of others. We ought to install materials in hearts to guide faith that we may know the reason of working towards righteousness. When we continue to see our weaknesses and dark areas in our hearts, then we have a right to ask assistance from God to create the light of faith in our hearts that other members may also be formed in truth. Errors and mistakes are seen and found in many areas. To understand that they can be controlled one should accept that the formation of faith materials or spiritual deposits in our hearts over weighs or dominates errors and righteous rule. Centre areas are supposed to be renovated by the word of God and the Holy Spirit. The word alerts our weaknesses to bring more and more of our concentrations to over shadow our weaknesses.

Errors which are probably sins can be pardoned through asking for forgiveness. We need to turn away from our wicked ways to deliver our hearts from darkness. The heart is inner most man who decides the conduct, behavior of your faith, will, and choices you make. The task to cultivate our hearts through prayers, reading the word begins with us. If God wants to handle anything or answer our prayers, He will install the zeal or appetite according

to the desires and love of your heart for that purpose. The four spirit formed heart are seen as ways of returning to the original foundation of human righteousness.

### **Broken heart**

A broken heart is a heart that could have settled to listen, obey and retain what it has in favor to allow more of God's plantings to be real building more values for continuous lowliness in heart. In the way to become pure, and Holy.

After realizing such things that went wrong in your life, they could be poor use of the tongue, dogmatic characters, disrespect, self-worthy, self-confidence over wrong issues or poor reasoning. When we know them, we have faith to pray and ask God to nurture and heal our hearts through His son Jesus Christ. We must be willing to live our lives in such a way that we position ourselves to receive from Him and keep away from wrong. The purpose of yielding a broken heart before God is to allow God to remove all the impurities in your spiritual life to become meek, humble, and diligent. When issues harming your faith arises, a broken heart separates until such is over.

### **Humble heart**

If anything in good faith repeats it's self more than once for some time, this could be continuous attention towards the knowledge of the word of God, prevailing prayers in the spirit, or a desire to harmonize and work towards life giving relationships among people of a society. It settles with maximum absorption of values, knowledge and experience.

The result of such a heart turns to be gentle, good, kind and concerned of many issues around its self. The fact that a humble heart increases the level of anointing in vessels, the lowliness of such a heart enables the Holy Spirit to continue to plant more values or seeds of faith in someone's life providing enough spiritual materials for his salvation.

### **Interceding heart**

It is through prayers in the spirit that will make your heart to be established in spiritual rights and benefits. The interceding heart is grounded to create opportunities to tolerate and restore spiritual conditions that would be in ruin through its petitions.

In the same spirit the heart will always leave a substance of God's presence in its life making more light of faith appearing powerful to bring assistance to others.

### **Pleading heart**

We plead to God for more grace and help, the injured to recover from their diseases, to increase favor to those who follow the shadow of His presence.

The work of forgiving and pardoning of our trespasses starts with the work of asking God to pardon through pleading work. A pleading heart is designed to mend and unite spiritual friends, members of the subject of the truth in the same faith and companionship. Encouraging other related components of faith to increase in making spiritual conditions more favoring and useful for our recovery.

## **Sight Opening**

This is a condition of God's favor upon someone with a continuous dropping of faith materials or information in life through revelations. When we continue in God given grace in our lives, Life about our destinations or stages of achieving our dreams, desires and goals we develop a relationship with Him for proper standing in decisions. Knowing more of His righteousness and the purpose of remaining faithful in all what we do. Sight opening or what we see in spirit according to His revelations enables us to equip together with Him throughout the stages of improvement. To confirm the renewal of our faith and God's updates in our lives we need to attend to the deep work of knowing God's work in our lives through the works of the Holy Spirit. The condition of being favored to see things enables God to build more facts, principles, ideas to guide us confirming the stability and greatness of our faith.

Probably in the process of time God wanted to build more faith, more favor in the life of King Saul through obedience by opening his eyes. But through disobedience King Saul lost to his fame, reputation, greatness, more grace which God had prepared for him to become a King of great nation. Conditions, states, situations of our faith or even in other areas of life must be attended carefully with obedience not to allow ungodly things to destroy our faith or our relationship with Him. When we take a step of faith in allowing God to be part of what is taking place in our lives, then God will continue to deal with us by dropping His message, will, favor, opening our eyes to see just like Him.

When we get challenges or fall in troubles we need to know that it is time to draw near to Him. It is a time to search a new direction by finding more of what God says about such situation. The time of dealing with our problems is the time for God to open our eyes about things that went wrong in our lives. Weak areas of our faith, things God wants you to pick out of challenges to stand as a testimony or to build more of your experience through what you have gone through. Backing up your decision makings to protect your faith. People who are given grace of God to deal with their faith are supposed to turn obedient even during challenges for their corrections and rising again.

## **Upright Cases**

Upright cases shows how much God is eager to increase our faith and its attainment in the four areas of upright which is experience, the life of a prophet, bread and positioning of our faith.

The Holy Spirit leads, reveals all things to humanity, united with God from the very beginning until today. Most of the work done in our everyday life develops from our mindsets which continues to install more ideas to analyze things or situations for right decisions. In the process of time qualities and values in our lives continues to increase driven from our desires, findings and discoveries. Which keeps on settling to form a kind of faith to decide and choose as according to our experience. Sometimes God allows situations to create to us chances of knowing more in return to protect our decision makings, faith or our findings to stand as a testimony to others. God is not pleased by someone of little or no experience in their relationship with Him since His victory in us sometime depends on our experience about Him. How much we know about Him, the way He does things in His Kingdom. As we continue to walk with Him there are things we realize to have happen some in His will others not in His will. Besides having the Holy Spirit, the word of God, and His power and all what we claim to have possessed from Him, our knowledge or experience about the things of God brings a clear observation of things and the way how things should be done in His Kingdom. Where faith and all what we have from Him are defended from destruction. Experience makes us upright before God.

To a prophet, when we have such ideas, steps to build a life of a prophet, we develop a spirit of understanding to utter prophetically. Similarly building more knowledge and truth about a prophet, ideas to defend prophecy enables us to acquire more in life increasing in spirit to live as prophets. Our formations as prophets starts with God's desires to make us move in the same direction creating time to reveal things as according to His prophecy. Prophetic builds up is upright case.

Breeding rightly brings us into areas of communing with God making body concentrations and states in the spirit to be steady, stable in relating God's will and His directions to what we should have in life. Continuous proper breeding together with our faith forms a condition of purity in spirit for clear observations of things in the spiritual word. Making extra attention to behave right through being sensitive to what God wants. When our minds are provoked to use properly released materials in form of God's word, then we have hope and more grace to stand right before Him.

Continuous positioning of our faith to bring out realities concerning our purposes and callings in life guards God's intentions to rule all things according to His power. In the same way if we identify ourselves in the areas of serving, ministering in God's Kingdom, allowing more concentrations of our faith in right positioning. Brings a continuous confrontation of those things which seem to be ungodly by His spirit. If we take our positions of responsibilities, concerns, God will continue to provide to our side increasing all what we need to abundance. This will increase our faith since we are favored and empowered to do things just

like the way He wants them in His Kingdom hence standing right before God.

## **Adventure**

God is telling us through adventure to find those areas, places, people or advantages of places where our faith and exact relationships should be. Through finding more of what we should have in life there is hope to do exactly what God wants. This is also a way of knowing which environment we should find in life to contribute or build our faith by taking a step of knowing the things God wants and how we can increase our knowledge about Him. Adventure continues to help us to go for right association and collection of materials of information for right standing. As we keep in adventure we keep in truth, collecting more faith materials until we are complete, done or finished on our side. Abraham walked with God until he was properly positioned that he may receive all he needed from God. Receiving more to bless his seed of faith.

God loves, still counts our faith even in the season of wandering up and down because His blessings, favor, protection follow our endeavors until the end. When we position ourselves according to His righteousness He will show up to lead us on the way by His visions, dreams, making us victorious in Christ.

## **Genesis 12:1-2 KJV**

**1** Now the Lord said to Abram, Get you out of your country, and from your Kindred, and from your father's house, to a land that I will show you:

**2** And I will make of you a great nation, and I will bless you, and make your name great: and you shall be a blessing.

### **Priesthood Life**

The life of a priest begins when one is ordained, separated for that reason. His life is designed to lead and allow more of God's presence through word formation. A priest forms words with His concentrations to rule the journey of faith where words formed create light and power to intensify the truth of possessing more in the Spirit. He is ordained for purifications and thoroughly cleansing of the body in preparation to distinguish errors and install more of faith materials. The life of a priest is designed in three stages, the stage of the body, the stage of utterance and the stage of bread. Which stand together to bring Holy Communion and continuous intimacy. More instructions to Aaron about proper breaching of which its defilement would lead to instabilities or death.

## **Leviticus 10: 9 - 11 KJV**

**9** Do not drink wine nor strong drink, nor your sons with you, when you go into the tabernacle of the congregation, lest you die: It shall be a statute forever throughout your generation: **10** And that you may put difference between holy and unholy, and between unclean and clean; **11** And that you may teach the

children of Israel all the statutes which the Lord has spoken to them by the hand of Moses. Breeding is generally done to build up the body in preparation to preserve and protect faith in transit. In God's Kingdom bread was prepared to associate with God's communion and fellowship of the Holy Spirit. It is through right breeding that we can understand some of God's hidden secrets and more knowledge concerning truth. The secret of fresh bread is a secret of holiness in spirit.

Communication in secret areas must be separated from both physical and spiritual contaminations as intimacy continues between a giver and a receiver. In preparation of the Lord's Table, coming together to bread and wine is the moment of listening and hearing from companionship. Christ requires every believer to come to the knowledge of keeping bread holy, separate, rules and regulations that bides faith and life as the lord reigns.

Breeding rightly according to our faith builds more strength, spiritual materials to create a moment of listening from Him. Creating moments of silence or peace of mind to encourage more attention towards right thinking. In the same way, fresh bread picks our requests or prayers of the mind and submit them to God through faith in the time of communion in the spirit and fellowship of the Holy Spirit.

The starting point for our freedom and development in all part of faith is utterance which are our words. Any uttered word whether bad or good has a product or result. This tells us to direct our faith to produce more light through good utterance that our lives may be free from darkness. When we keep His word and utter in favor to do good to others, we develop a ruling spirit in the

spiritual life to direct our freedom and prosperity. The idea to utter rightly is to abide by the rules governing this which is obedience.

Besides other arms of faith, God has been using the arm of utterance which is the word of God to form and create things. Many things can be formed or corrected through speaking and uttering.

When you speak it will be formed when you utter it shall be done. Sometimes we are challenged in life due to poor pronunciations made by those who were not faithful to God. Nevertheless, speaking Godly reverses poor pronunciations and produce powers to dominate errors and disobedience.

It is within our will to take care of what we have in mind, what we speak, and what we see because our success in receiving spiritual gifts depends on your tongue or what you have in mind. We are advised to utter Godly that we can renovate and make the path of righteousness easier for our liberty and freedom in spirit. Utterance is also powerful and authoritative. We verbal for adjustments and corrections. Speaking over challenges also provides an opportunity to rule and resolve. The tongue has a right to reduce and eradicate pronounced curses through producing new words. It is designed to manage and allow incoming fresh anointing as a substance for us to feed on for life to come.

## **Prophetic Life**

Prophetic life is also seen to be hosted by material things which are also part of our faith. Material things being part of our faith hosts, and guide prophecy in their prophetic ways. They also determine prophetic utterances which goes by possessing more of faith in the same direction.
